## Local Hours Guide

*January – February 2010*

This campaign was created to promote Chincoteague Island during the ‘extended season.’ The hours guide and website help the community, visitors, and merchants navigate the various shops, galleries, museums, restaurants and other amenities.

Our beautiful island has so much to offer year round! This campaign is still growing and new shops and restaurants have been added each season. Check our website for an events calendar, links, contact info, and updated schedules.
